Suditi is the blending of
Su+di+ti

where "Su" has been plucked from Dr. Ram Mohan's Late Father Shri **Sukhvir Singh**,
"Di" has been borrowed from his Late Mother Smt. **Dilawari Devi**
while "Ti" has been taken as an unendable source of wisdom from **Tin Devian**
(**Maa Kali, Maa Laxmi & Maa Saraswati**)
As a whole Suditi has been a source of eternal love, wisdom and prosperity.

From the desk of Managing Director

Each second we live is a new unique moment of the universe, a moment that will never be again. And what do we teach our children ? We teach them that two and two make four and that Paris is the capital of France... When will we also teach them what they are ?

The foundation of '**Suditi Global Academy**' is laid with a view to facilitate the children of the society, the nation, and the world with education. It is the dream child of me and my wife under the inspirational force of my venerable parents, "**Late Sh. Sukh Veer Singh**" and "**Smt. Dilawari Devi**" and revered "**Late Sh. Madan Lal Arya**".

The main motto of education at **Suditi Global Academy** is to develop an individual physically, mentally and socially strong. It is a holistic process and continues through out our life. The significance of education, for a great part, lies in its ability to open new vistas for us. It expands our outlook and teaches us to be tolerant towards other views. An educated person will find it easier to understand a different point of view than the one who is uneducated. Education broadens our mental landscape and opens the way forward to greater enlightenment - the ultimate goal of every human in life. It assures to provide conducive learning environment and best of facilities to enable holistic development that leads to happiness and success in life.

Children are the mirrors in which we see our own reflection. They have boundless energy and many talents, SGA facilitates the all round development of children to the maximum and endeaours to use their energy for creative work.

Our intention is to make the school a very special community where staff, Students and parents work together for the optimum development of the child. This partnership enables the students to gain their full potential and excel them in every sphere of activity. Outstanding performances in academics, sports and co-curricular activities are a sure indication of their successful pursuit for excellence.

I earnestly request parents to spend their valuable time with their children. Parent's participation in the child's school life is fundamental to his or her educational success. I hope with the co-operation of our dedicated staff and enthusiastic parents, we can scale greater heights.

Managing Director
Suditi Educational Group

From the desk of Principal

It is wisely said that 'an uneducated man is like a heron amongst swans.' It shows the importance and the purpose of the education in life. Suditi Global Academy, Jaswant Nagar is founded with the noble aim of equipping its students with the most powerful tool of the world, KNOWLEDGE. The school believes in exploring capabilities of the young minds and endeavours to provide the opportunity to explore through their own experiences. Students should not be merely qualified but educated personalities. The school is all set to offer a platform to learn with deep understanding of concepts under the facilitation of teachers with all the modern learning tools such as audio-visual system, smart classes, science lab, computer lab, language lab and library. We are committed to shape up the children of the rural area into smart learners to stand at par with the urban students to tackle any challenges in the life. We want to team up with the parents to nurture and support the young buds to grow and bloom into self confident and energetic youth of India.

Genesis and Inspiration

The Suditi Global Academy is inspired, initiated and being lovingly nurtured by **Dr. Ram Mohan** & his life partner **Dr. Kusum Mohan** under the inspirational force and guiding spirit of his late parents, venerable **Late Sh. Sukhvir Singh** and **Late Smt. Dilawari Devi** who were their good teachers. They were persons of simple living and high thinking with a great foresight and vision. This academy is the outcome of their blessings, guidance and inspiration. They are indebted to both of them to the core of their heart for their teachings, inspiration, blessings and love which enabled them to stand on such a new horizon as to open a school. The school management is also grateful to revered **Late Sh. Madan Lal Arya** who was a torch bearer and inspirational force to the management of 'Suditi Global Academy'.

"Character Development with Academic Excellence
has been the governing principle of all endeavours in the school".

Our Mission

The relentless pursuit of the school has been

"To lay the foundation of a noble character of moral integrity, brotherhood, patriotism and sacrifice in the young minds so that they grow straight and strong as ideal leaders who can shape the destiny of the Nation."

Admission Procedure

Student-Centered Teaching

We at Suditi Global Academy, have focus on student-centered teaching, not on old age teacher-centered teaching, where our students are actively engaged in learning. Teachers ensure each child to participate in teaching-learning process through a wide range of pedagogy skills. We use modern teaching techniques and technology such as computers, projectors, science equipments etc to maximize students' understanding.

Professional Development

We have our schedule of conducting various professional development programmes to keep our teaching staff abreast of modern changes taking place in education sector whether it is academic or pedagogical or personality development. We call experts to help our staff on different relevant topics and sometimes we do the same through internal expertise by our own staff members. We encourage our staff to keep updating their knowledge using internet which is available for free in the school or reading reference books from library.

Library

The in-house library with over 8000 books and a photocopying facility is an effective tool in the education process of the student. The collection of books ranges from pedagogic to philosophy. The library also subscribes to selected weekly and monthly journals, magazines and newsletters, apart from daily newspapers.

Science Laboratories

The school has spacious and well-ventilated laboratories for the departments of Chemistry, Physics and Bio-science. Furnished with all the necessary instruments and accessories, the labs ensure that the practical understanding of the subject is comprehensive and complete.

Computer Lab

Computer Lab

Equipped with the latest Pentium systems, the computer lab is very much in tune with times. Apart from effectively aiding in teaching the prescribed syllabus, it endeavor to expose the latest technologies and skills to the students.

Smart Class

Suditi Global Academy is the first school in the region with a new age technology to enhance the skills of teachers through SMART CLASS from **class LKG to class X**. The innovative SMART CLASS is multi sensory experience that improves effectiveness and productivity of teaching- learning process in classroom; it brings abstract and difficult curriculum concepts to life inside classrooms and makes learning an enjoyable experience for students. Through the help of this technology students receive audio visual education as per the requirement of the present day. It makes the classes very lively and interesting. The 3D effect in the Science diagrams gives the child a better understanding of concepts and basic structure of the organism.

Laboratories

Laboratories are essential part of modern education to enable students to experience and visualize a concept. The school has modern laboratories for science and computer with all the necessary items for experiments and help in teaching. The science lab has various apparatus for Physics, chemicals for Chemistry and slides, models and microscopes etc for Biology.

Co-curricular Activities

In order to all round growth of the children, the school gives due importance to the co-curricular activities. It includes physical, literary, artistic and other creative activities. Different teacher in-charges look after these activities and encourage children to participate with interest. However, the number of activities is decided by the concerned in-charges after discussion without hampering academics.

Academics

Recognizing the changing needs of a student as he/she progresses from playgroup to XII Std. The school is divided into five different levels namely

Level 1 : Playgroup, L.K.G. and U.K.G.

Level 2 : I to III

School Transport

The school has a fleet of buses at its own disposal. The buses pick up the students from their stoppage from different areas of the city and nearby areas and drop them at the scheduled stoppage.

Each bus driver has been provided with a cell phone for the convenience of contacting the driver at any point in case of urgency.

Bus Rules

1. All the students using the school buses are expected to be on the right side of their bus stop at least ten minutes before the arrival time of the bus.
2. The buses will not wait for the late comers.
3. The children should stay away from the main road until the bus arrives.
4. Student should not come near the entry door of the bus until it has made a complete halt.
5. All the students must occupy vacant seats immediately after boarding in their buses.
6. Student is not allowed to eat anything in the bus.
7. The driver's attention must not be distracted for any reason whatsoever it is.
8. Bus facility can not be withdrawn in mid session of the academic calendar.

Talent Search Programmes

The school provides facilities for a number of Talent Search Programmes besides the academic curriculum. These activities are meant to develop communication abilities and perceptual skills apart from proper utilization of leisure. It also gives to the students an experience of fellowship and mutual-aid which are essential ingredients of a well balanced personality. Student participation in most of these activities is compulsory.

The school Dispensary

The school dispensary consists of a qualified and experienced resident doctor assisted by a nurse and an attendant. Cases of minor ailments are cared for in the school dispensary while cases requiring hospital care are referred to the local government hospital, Mainpuri.

The school bears the expenses of the first aid and routine medicines but those recommended by the specialist doctors such as tonics, medicines, injection, x-ray, hospitalization etc will be borne by the parents.

We take all care of children and provide them facilities at our level best, but no one can alter the immutable and predetermined laws of the Almighty. If in any adverse circumstances, any irreparable loss is occurred, the managerial body of the school will not be responsible for loss.
